Baby Blankets Made by Alzheimer's Clients Donated to A Baby Center by *Alzheimer's Services of Cape Cod and the Islands* November 23rd-Hyannis- Alzheimer's clients created baby blankets for a local baby center which outfit babies and toddlers on the Cape. The blankets were a win-win for clients and the community because the activity provided purpose and socialization to a group which then benefited a community in need. The individuals who made the blankets take great pride in donating the soft fleece blankets to the baby center. Blankets were distributed on November 23rd to A Baby Center located on 81 Willow Avenue (near the bus station) in Hyannis, MA. Contact 508-771-8157 for more information.

Alzheimer's Services of Cape Cod & the Islands is a local, not-for-profit organization serving the estimated 8,500 people with Alzheimer's disease on Cape Cod, Martha's Vineyard, and Nantucket, as well as their families and professional caregivers, since 1984. Our services include three types of respite grants for family caregivers; free consultations for patients and families; memory screenings; support groups for patients and caregivers; a telephone helpline for information and referrals; professional education and training; new and exciting arts and music initiatives; and a resource lending library.
