

Alzheimer's Services of Cape Cod & the Islands Planned Giving

Bequest

How it works

1 You can provide now for a future gift to Alzheimer's Services by including a bequest provision in your will or revocable trust.

2 Your will or trust directs a bequest to Alzheimer's Services for the purpose(s) you specify.

Benefits

- Your assets remain in your control during your lifetime.
- You can modify your bequest if your circumstances change.
- You can direct your bequest to a particular purpose (be sure to check with Alzheimer's Services to make sure your gift can be used as intended).
- There is no upper limit on the estate tax deductions that can be taken for charitable bequests.
- You can have the satisfaction now of knowing that your bequest will support Alzheimer's Services in the way you intended when you are gone.
